# Did your cargo become critical?

## We've got you covered!

With our premium solutions, emergency logistics centers, and control towers around the globe, we are ready to design and implement a tailor-made plan that guarantees the efficient and effective delivery of your critical cargo, ensuring both speed and reliability.

# Air Priority

**Your cargo placed on the first available flight**

**Our Next flight Out (NFO) solution. Get your urgent cargo to/from anywhere in the world** with access to the best flights, local assistance and priority rates thanks to our key partnership with premium freight networks.

| Typical transit time: **24-48 hours.**

**Higher loading priority than express cargo**

- ▶ **Direct flights to/from the Americas, Europe & Asia**
- ▶ **Priority & premium rates worldwide**

▶ **Priority first & last mile**

**24 / 7**

# On-Board Courier

**Delivery in person, with the highest level of security**

Do you need transporting manufacturing parts, prototypes, time-sensitive samples, or confidential documents quickly, safely and on time? **Our on-board couriers are your best choice to complete the job and keep your supply chain running.**

Typical transit time: **less than 18 hours** |

**As fast as possible and 100% safe**

- ▶ 500+ couriers available 24 / 7
- ▶ Faster bookings
- ▶ Book & track online
- ▶ Real time tracking!
- ▶ Door to door

**24 / 7**

# Air Charter

## Fly on your schedule, not on scheduled flights

If even with high-priority loading on scheduled flights your time-critical cargo will not get where it needs to be on time, then air charter is the best option. **We take care of the entire process, starting with the coordination of the destinations, flight permits, provision of loading equipment and safety precautions.**

| Typical transit time: **less than 12 hours.**

**+ GO NOW SERVICE!** Wide and narrow body units / Part charter / Door to door / Airport to airport / Access to 20,000+ aircraft across the globe

## Helicopter Sprint

**One of the most suitable delivery solutions to reach any difficult terrain or to speed up your deliveries.**  
Highly adaptable to comply with specific delivery requirements, it is the perfect solution for short flights or to access remote areas without airport.

\*Available only in North America

# Ground Expedited
